 Tim. Howard suffered for three years with lung and throat troubles, and last spring was thought by his neighbors to be dying. I heard of his condition and gave him A. B. C. Tonic. Its effect was magical. In a very short time he was able to leave his bed, and now regards himself a well man. Others in this vicinity have taken the "Tonic" with pronounced benefit.

 From its additions to the city of Bristol, Va.

Bristol is situated on the State line, between Va. and Tenn., at the junction of the Norfolk and Western and East Tenn. Va. and Ga. railroads; is the eastern terminus of the South Atlantic and Ohio R.R. extending from Bristol into the coal fields, and connecting with the L. and N. R.R. at Big Stone Gap, and is the western terminus of the Bristol, Eliz. and No. Car. R.R., now building into the rich mines of Doe Mountain and Roanoke creek, in Johnson county, Tenn.  
 Bristol is not a "Paper" city; it has a population of about 12,000 live, energetic people, is rapidly growing and is destined to be one of the largest manufacturing cities of the South. It lies within 3 hours of inexhaustible coking and domestic coals, the richest iron ore in the U. S., and immense bodies of virgin timber, all of which reach Bristol via the S. A. and O. and Elizabethton roads.  
 Its advantages of transportation and nearness to markets, its elevation, (nearly 1700 feet) delightful climate, and its solid basis in mineral wealth and timber, present inducements for investments rarely met with. During the past year, over \$1,000,000 have been invested.  
 The Bristol Iron & Steel Co. (owned by Pennsylvania Iron and Steel Co.) commenced the construction on the Company's lands, of the largest furnace plant in the South.

Wait for this sale. Go to it, and take advantage of an opportunity to invest where returns must be large and quick. Ample hotel accommodations. Don't miss this

I desire to call the attention of capitalists and others desiring a good investment, to the excellent opportunity I now offer them for investing in some of the finest mineral and timber lands in Southwest Virginia and West Virginia. These lands are located chiefly on the Norfolk and Western Railroad, and on the extension via the Elk Horn to the Ohio River. I have also at my disposal, located in the large timbered hills of such variety, hickory, etc., which I will sell without the lands on very favorable terms.  
 The popular timber is located as follows: in 1500 acres in Price county, Kentucky; 20,000 in Buchanan county, Virginia; 25,000 in Russell and Tazewell counties, Virginia. 70,000 of these trees are in easy access to floating waters, which will float them to Catfish and Pine Knobs, in close proximity to the Clinch Valley division of the Norfolk and Western railroad. This timber is of superior quality, carefully selected and owner has a perfect title to the same, which he will guarantee.  
 In addition to the above I have some of the most desirable residence and business lots in the new and thriving towns of Bluefield and Graham, located in the Clinch Valley division of the Norfolk and Western railroad and its various branches leading into the immense coal fields of West Virginia, they promise to be among the most important towns in the near future. Correspondence respectfully solicited.
